BIPOLAR EXPRESS

Association for International Broadcasting - The AIBs 2015
Radio Creative Feature: Highly Commended

The Bipolar Express is a 30-minute roller coaster ride through the euphoric highs and debilitating lows of the bipolar mind. Produced and presented by Sadie Kaye (Radio 3's "Miss Adventure"), the documentary gives an enlightening account of the perks and the pitfalls of living with bipolar disorder.

Featuring interviews with bipolar comics Ruben M Tuck and Josh Walters, and Hong Kong ballerina Kiki Wong, as well as Hong Kong's leading expert on bipolar disorder, Dr. Barry Connell, this quirky styled production was made with a serious mission in mind: to fight the stigma and stereotypes attached to mental illness in Hong Kong and to spread awareness of a condition most people know little or nothing about, and yet is believed to affect as many as one in fifteen of us.

For information on bipolar support groups in Hong Kong and a wealth of articles written by others who have the condition, visit
